1. Product description

Arthyl 24 is a multifunctional arterial fluid designed for bodies requiring careful preservation. Its formula, concentrated in sodium benzoate, offers an antiseptic and preservative action that is particularly effective in **acidic environments**: it is the most antiseptic and preservative fluid in our line. Effective in cases of **decomposition**, this fluid guarantees excellent tissue saturation:

- High preservative and biocide levels
- Excellent tissue saturation
- High preservative and biocide levels
- Ideal for decomposing, autopsied or necrotic bodies

Standard adult body dose

For 1L of water : 0,5% to 1% of formol or 20 to 40ml per liter

2. Technical data
